Term 1, Week 10

Dear Parents,

Our Journey Towards Easter Continues "Holy Week Begins Soon" (First week of the Holidays)

Christ's unconditional love for each and every one of us is clearly evident as we recall and reflect on the upcoming key events from Palm Sunday to Holy Thursday, to Good Friday to the glorious 'Resurrection' on Easter Sunday on 21st April. I hope that the Easter period will be a happy and Holy time for you and your family, full of Christ's blessings and certainly an opportunity for prayer and renewal. The many ceremonies over the upcoming weeks and Easter that await us tell the story of Christ's journey to the cross and of new life. Our rich Catholic culture and tradition is very much evident at this pinnacle point of our liturgical year.

Throughout the term we have had many opportunities to gather in prayer as a Christ centred community. Unlike the doubting Thomas, the children's love of their faith is strong and just beautiful to behold. You should be extremely proud of the wonderful work you have begun and continue to do in your children's lives as the primary educators of their faith.

With so much that is happening in our world, the Resurrection of Christ and the story of Easter calls us to be people of peace, joy, compassion, respect, forgiveness and prayer.

Our (Pre) Holy Week assembly will be held on 12th April at 8:45am. All are welcome to come and celebrate with us as we reflect on the journey towards the resurrection.

At this assembly, we will also take the opportunity to say thank you and farewell to Father Gerald, our assistant priest at Our Lady of the Rosary. Fr Gerald has been with the parish for the past 4 years and has been appointed to the Philippines. On behalf of our St Angela's school community we would like to express our sincere appreciation to Fr Gerald for his pastoral leadership, his gentleness and service to all. He has been a much loved member of our Christ centred community.

Upon our return from the Easter break, we will hold a Resurrection Celebration Assembly on Thursday 2nd May at 2:15pm to signify Christ's love for each and every one of us. All parents are welcome to join us.

Thank you for your continued support. It is in partnership that we can achieve great things for our children.

Principal

Religious Education

Sunday, 7 Apr 2019: Fifth Sunday of Lent - Year C Gospel

Jn 8:1-11

Let the person without sin be the first to throw a stone.

The words Jesus speaks to the accused woman could as easily be addressed to each of us. We all feel at times that we've done the wrong thing – something we don't deserve to be forgiven for. However, Jesus says to us, I know you've done the wrong thing, and you are already forgiven, but you need to make a commitment to change and not repeat the error. It is Jesus' promise not to give up on us – not to forget about us – that we can draw strength from as we try to respond to his challenge to change.

Q. When Jesus says, 'Go, and don't sin anymore,' how can that be applied to your life?

Q. How is it possible to go against the tide and challenge group behaviour or group thinking?

Thank you to our Kindergarten teachers and students for sharing a solemn Easter liturgy with their families last Thursday. It was a meaningful afternoon of prayer, singing and reflection as we journey through Lent.

Holy Week Liturgy

We invite everyone to join us in reflecting on the Passion of Jesus in our liturgy on Friday the 12th of April at 8:45am in the Maximilian Kolbe Hall.

Kindergarten Teddy Bear's Picnic

On Monday Kindergarten enjoyed a Teddy Bear's Picnic. The children loved using their fluffy friends in the classroom to help them with their learning. Some of the fun activities included cookie decorating, teddy bear painting, teddy bear maths and even going on a bear hunt! The highlight of our day was a wonderful picnic on the grounds of St Angela's surrounded by beautiful family and friends. The Kindergarten teachers would like to thank all the parents who came and assisted in the classrooms, these days would not be possible without the ongoing support of our amazing St Angela's community. It is in partnership that we are able to enrich the lives of students and create wonderful memories together.

With sincere gratitude
The Kindy team.

National Assessment Program Literacy and Numeracy 2019 (NAPLAN)

In May 2019, the National Assessment Program - Literacy and Numeracy (NAPLAN) will be completed by all students in Years 3, 5, 7 and 9 in all government and non-government schools. NAPLAN assesses the literacy and numeracy learning of students in all Australian schools. The tests will be conducted at St Angela's, online from 14th to 16th May 2019.

Friday 17th May - A 'catch-up' day is scheduled for students who missed a test or were absent on a test day.

Grade Contact Lists

These lists are useful for communicating with other families within the school to organise playdates, birthday parties etc. If you wish to be included in your grade's contact list, your mobile number (ie. the main mobile contact number that the school has on file) will be circulated to others on the grade list once you authorise permission for this purpose. To be added to the list please **complete the google form that was emailed on Tuesday by Friday 12th April.**

We only publish a contact phone number as this seems to be of the most value to parents. It is envisaged that if you require more information, eg. Email addresses etc., you can contact the parent directly. The information will be generated from our school administration system. It is important to take note of a few mandatory guidelines for using these numbers:

Confidentiality is paramount. Parents who have volunteered their number have done so for other parents of the grade. It is kindly asked that you do not pass on any numbers to other parents due to privacy. Phone numbers should not be left on display on fridges etc. where they can be accessed by others or passed onto others without permission. Phone numbers should only be used appropriately to support each other, foster networks and build community.

Only parents who have emailed details to their grade parent representative listed below will be included. Only parents who are on the list will receive an emailed copy of the list. The list will only be published once per year.

Year 5 Excursion

The Sydney Rocks and the State Library

On Friday the 29th of March, Year 5 went on an excursion to the Rocks and State Library in the City to support our History unit. We had a terrific time learning about famous aboriginal people and the life of a convict back in the 1800's.

Year 5 were split into 2 groups for the day. We each went to The State Library and The Rocks to do a walking tour.

Group 1 went to the State Library first. We were put into groups of three and then one person from each group received a special case. Inside were artefacts or clues to help try and guess who the person described in the case was. Using the clues we predicted who our historical person was. We then researched the person and the contributions they made to our country's history. On the way back to the bus to go to The Rocks, we all took a glimpse through a door which lead to a ginormous library that holds around 2 million books. We also had a look at some paintings of different events and significant people who helped our country.

While this was happening... Group 2 went to The Rocks. Firstly, our guide told us what we were going to do. She took us to many places, one of which was a house, where people would stay if they had no shelter. After that, the guide took us to see what some of the houses looked like in the 1800's. The houses would usually hold up to 8 or 9 people. Finally, Group 2 met at a park right in front of the Sydney Opera House! We then had lunch and headed to the Library.

We all learned so much. When we got back to school we were exhausted. We would love to go again.

Mothers' Day Stall

We will be holding a Mothers' Day Stall for the children on **Wednesday 8th May 2019.**

The children will be able to choose from a variety of beautifully packaged gifts for their mums, grandmothers etc. The children will be given an opportunity to view the gifts in advance. To make the stall more affordable, all gifts will cost \$5. We will not be collecting money in advance. **Children are to bring their money on the day in an envelope clearly marked with "Mother's Day Stall", their name and class so it doesn't get lost.** The money will be exchanged for a token at the entrance to the stall. Any children who forget their money on the day will still be able to select a gift, which will be put away and can be collected from the school office on Thursday once money is received. If there are gifts left over after all classes have visited the stall, children will be given the opportunity to purchase extra gifts.

Bring your stickers earned, from what you spend at Woolworths, to school and place them in your classroom office bag, the box on the stage or in the box labelled St Angela's at Woolworths Kellyville Plaza.

Easter Eggs at School

As the Easter season and the common sharing of chocolate eggs is approaching, it is important to remember that there are a high number of children at St Angela's who are severely allergic to nuts, eggs and/or dairy etc. Parents are asked to support us by ensuring that Lollies/Chocolates/Easter eggs are not brought to school by the children, either for themselves or to share with others. Thank you for your continued cooperation in making St Angela's a safe environment for all our children.

Integrated Unit Workbooks

The children will be bringing home their Integrated Unit workbooks this week. We encourage you to talk to your child about their exciting learnings this term. What new skills have they learnt? What new ideas/information did they find out about? The children are extremely proud of their work and even more so to read a comment from their greatest role models, you their parents.

Reflection

A kind word or acknowledgment goes a long way in lifting a person's spirit.

Drop a pebble in the water, just a splash and it's gone,
but there's half a hundred ripples circling on and on and on.
Spreading, spreading from the centre,
flowing on out to the sea,
and there is no way of telling where the end is going to be.

Drop a careless, unkind word,
and in a minute it is gone;
but there's half a hundred ripples circling on and on and on.
They keep spreading, spreading, spreading, from the centre as
they go and there is no way to stop them,
once you've started them to flow.

Drop a word of cheer and kindness;
just a flash and it is gone;
but there's half a hundred ripples circling on and on and on.
Bearing hope and joy and comfort on each splashing,
dashing wave,
'til you wouldn't believe the volume of one kind word you gave.

Returning Notes and Permission Slips

For those families who are new to the school or those who may be unaware of our procedures:

Each morning teachers will ask the children in their class if they have any notes or money. Teachers will keep any information they require and will send any other notes or money to the office via the class note bag (please ensure envelopes containing money are tightly secured and labelled). This system allows the office to receive notes and money efficiently. It also helps the children develop responsibility for passing on information.
