Term 4, Week 6

**We acknowledge the Darug people, the traditional custodians on whose land we educate our students.**

Dear Parents,

Giving thanks and expressing gratitude is one of the oldest concepts in society. Parents and teachers alike invest much time into developing a sense of gratitude in young children because gratitude reminds us of how special, beautiful, and blessed our lives are even when we are faced with challenging, stressful, and overwhelming situations. The concept of gratitude is especially important in the midst of a pandemic like COVID-19 when the world around us can be unpredictable and sometimes even dangerous. It has been so challenging for children to maintain an attitude of gratitude when they feel that they have been missing out on so much. In these weeks as we have been returning the children to school, the teachers have been helping the students to recognise everything that they can be grateful for - family, health, friends and time.

This week our Year 5 students have provided our school community with a focus for gratitude as they have educated us all about refugees and the ways in which we can support them. Year 5 and their teachers are to be congratulated on the way in which they have adapted this mission unit of work to suit the requirements of a COVID safe approach. Each grade throughout the school has been provided with a digital resource to both educate them about the Jesuit Refugee Society (JRS) and motivate them to contribute to the JRS cause. Well done Year 5 we are very proud of your efforts and thank you to all our St Angela's students and families who have donated cash and food items to the JRS collection.

*Almighty and merciful God, whose Son became a refugee  
and had no place to call his own,  
look with mercy on those who today  
are fleeing from danger,  
homeless and hungry.*

*Bless those who work to bring them relief.  
Inspire generosity and compassion in the hearts of all of us.  
Guide us and every nation of the world  
towards that day  
when all will rejoice in your Kingdom of justice and of peace;  
Through Jesus Christ, our Brother and our Lord Amen.*

*Together we can achieve so much*

## Mathematical Assessment Interviews

In 2022 we have been granted permission to commence the year with an additional Pupil Free day on Monday 31st January so that teachers can administer the Mathematical Assessment Interview (MAI) to our students. This means that school will resume for Year 1 - 6 on Tuesday 1st February 2022 and on Thursday 3rd February for Kindergarten.

## Student Leavers

As we prepare for 2022 families are required to inform the school in writing if their children will not be continuing at St Angela's in 2022. This communication should also indicate the destination school for the child and contact should be made with the school office regarding your school fees.

**School Fees** Just a reminder that School fee accounts are due on 18th November. Payment as soon as possible is appreciated. Please contact Liz Burke at the school office if you require fee related information.

## Updated Family Contact Details and Going Home Arrangements

It is important that families keep the school informed about **Family Contact details and Going Home Arrangements** for their children. Please send an email to the office to change any of these details.

For going home arrangements - if you need to change these unexpectedly on the day please ensure that you do this **before 1:30pm** so that we are able to get the message to the classrooms. If your child attends COSHC please inform both COSHC and the school if your child's going home arrangements have changed. COSHC and school staff work very closely to ensure the safety of children moving to COSHC in the afternoon and it is important that both have the most up to date information about your child's going home arrangements.

## Gospel

*Mk 13:24-32*

**Watch for the signs of the coming of the kingdom.**

### **Living the Gospel – People of Hope**

Whilst the community who were the intended audience of the Gospel of Mark were expecting the return of Jesus and the end times to occur during their lifetimes, nearly two thousand years later we realise that wasn't the case. Today, as in Mark's time, many people approach the future and change with fear and apprehension. As Christian people we are called to be optimistic and hopeful as we approach the future. We know that God is good, that God loves us unconditionally and that God has a dream for us. That is the simple basis of Christian hope.

*Q. What is the message for us when Jesus says no one will know the time of the coming of the Son of Man?*

**Remembrance Day Virtual Liturgy** - Today we gathered as a school and commemorated Remembrance Day through a virtual prayer assembly. Thank you to our Year 6 students and teachers for leading our school virtual liturgy today.

God of love and liberty, we bring our thanks this day for the peace and security we enjoy, which was won for us through the courage and devotion of those who gave their lives in time of war. We pray that their labour and sacrifice may not be in vain, but that their spirit may live on in us and in generations to come. That the liberty, truth and justice which they sought to preserve may be seen and known in all the nations upon earth. This we pray in the name of the one who gave his life for the sake of the world, Jesus Christ our Lord. Amen.

**Priest School Visits:** Our students and teachers in Years 2 and 3 wish to thank Fr Alejandro and Fr Leonides for their visit yesterday and supporting their Religion lessons.

## Competitor Swimming Carnival (Student Only)

The Competitors Swimming Carnival (Student Only) has been scheduled for Monday 29th November 2021 to enable students who wish to trial to compete at the Hills District Zone Swimming Carnival in March 2022. This is for students in Years 2-5. Students who turn 8 in 2022 from Year 1 who are able to competently swim 50m Freestyle and do so within the time criteria of 1 minute 20 seconds, can compete in the carnival. Competitors will need to be transported by their parents to and from Blacktown Aquatic Centre. Spectators will not be able to attend the carnival. This carnival needs to comply with COVID guidelines established by the NSW Department of Education and CEDP and can only be conducted with staff and fully vaccinated essential helpers in attendance.

An email and google form was sent home on Friday 5th November for families to complete. Parents are requested to complete the google form by Friday 12th November 2021. Please contact Mrs Jenny Chatten if you have any questions about the Carnival.

## Keeping our St Angela's community well and safe

At St Angela's we have members of our school community with compromised immune systems. This means that these individuals are more susceptible to infections and illness than others. It is therefore extremely important that students do not attend school if they are unwell and that the school is informed if any child contracts Chicken Pox, Measles, or flu so that we can keep everyone and most particularly these individuals healthy and safe. With the current pandemic it is extremely important that no child or staff member attends school feeling unwell.

Should a child become unwell with cold and flu symptoms, you will be asked to collect your child from school.

Thank you for your understanding.

## Some COVID Reminders

- Students should not attend school if unwell, even with mild [symptoms of COVID-19](#). Any student with any COVID-19 symptoms will be sent home and should not return until they have received a negative test result and are symptom-free. In circumstances where children have other medical reasons for recurring symptoms, a letter from their GP is sufficient to negate the requirement for a negative test.
- Anyone who is unwell with COVID-19 symptoms is strongly encouraged to get tested immediately and self-isolate until a negative result is received. Locations of testing clinics are available [here](#).
- Please continue to monitor the [NSW government COVID-19 News and updates webpage](#) for locations where there may have been exposure to COVID-19 and adhere to the advice as appropriate.

Wear a face mask.  
It's a condition of entry.
