Term 3 - Week 9

We acknowledge the Darug people, the traditional custodians on whose land we educate our students.

## PRINCIPAL'S MESSAGE

This will be our last newsletter for Term 3 so I would like to take the opportunity to express my sincere appreciation to all our families for your wonderful support of the programmes and opportunities offered to the students throughout this term - it certainly has been a busy one. We are so blessed to have so many generous parents who assist the children in so many ways- thank you to you all.

When I look back over our calendar for the term every single grade has had many highlights in their learning as well as an opportunity for parents to be back in the school to engage with their children at school. As a whole school community the Athletics Carnival, Dance Fever Lessons, St Angela's Writers Festival, Book Week events - Character Parade, Rug Reading and Author visits, Fathers Day celebrations, Premiers Reading Challenge and of course our amazing Colour Fun Day were wonderful reflections of how we do things so well as a community "Letting our Light Shine"

Congratulations to our students who have represented the school in so many ways:- at Netball Gala Days, Zone and Diocesan Carnivals, Representative Sport, at the Captivate Eisteddfod, Dance Fever Showcase, Stem MAD Nationals, Voice Of Youth Finals, Rotary Writing Competition, Mission Mass and LIVE gathering.

I would like to acknowledge and thank the incredibly professional and dedicated St Angela's Staff. Teachers and support staff are passionate about your children and the learning programmes that they prepare and implement. Term 3 has really demonstrated this.

As you are aware next Wednesday 21st September, will be the last day of term for the students. This has come quite unexpectedly with the announcement of the National Public Holiday on Thursday 22nd and then the decision by CEDP to grant a Staff Development/ Pupil Free day on Friday 23rd September. Yesterday's communication also informed parents that Monday 10th October will be a Staff Development/ Pupil Free day, meaning that the first day of Term 4 will be Tuesday 11th October. We appreciate your support and understanding of this decision, and also acknowledge the difficulty this change may cause for some families.

Congratulations to Miss Gemma McRoberts and Mr Anthony Stagnitta who have announced their engagement. The St Angela's community wish them every happiness and many blessings at this special time.

At St Angela's we join with our world wide community in appreciation of the remarkable life and service of Queen Elizabeth II who throughout her 70 year reign was steadfast in her faith, in her prayers and worship. She spoke openly and often of her devotion to God, and to the Christian message of respect and the value of people, of all faiths and none. May she rest in peace.

Gracious God, we give thanks  
for the life of your servant Queen Elizabeth,  
for her faith and her dedication to duty.  
Bless our nation as we mourn her death  
and may her example continue to inspire us;  
through Jesus Christ our Lord.  
Amen.

"Together we can achieve so much"

### COVID

Families at St Angela's continue to experience COVID cases, so it is important for you to monitor your children for symptoms and keep them at home if they are unwell. We will also contact you if your child feels unwell at school. As it is flu season, please be vigilant about the early signs of influenza which also require you to keep your children at home to ensure that we continue to maintain a healthy environment for the children and staff while at school. Thank you for following the COVID communication protocols below.

### COVID SAFE PROTOCOLS

All students, families and staff are requested to follow NSW Health's advice to reduce the risk of not only transmitting COVID-19, but also other illnesses that may affect schools this winter such as the flu. Therefore we ask that students, staff and family members who visit the school

**New COVID Guidelines came into force from Sept 9. This includes:**

- inform the school if your child tests COVID positive and keep the child at home in isolation for the required 5 days.
- inform the school if your child is a close household contact, administer a RAT daily before the child attends school and keep the child home if they are unwell or symptomatic

Thank you for all that you do to support the health of students and staff.

## TERM 3 SCHOOL FEES NOW OVERDUE

Term 3 fees are now overdue. Please finalise as soon as possible. If you are unable to make payment, please contact Liz Burke on 9407 6400 or via email: [lburke2@parra.catholic.edu.au](mailto:lburke2@parra.catholic.edu.au)

## COLOUR FUN DAY LOST PROPERTY

We have quite a bit of lost property in the office after our exciting Colour Fun Day.

Please have your child come down to the office if you know they are missing any items of clothing.

## 25th Sunday in Ordinary Time - Gospel: Luke 16:1-13

### SEASON OF CREATION by Nick Brodie

Jesus' instruction to use money to win welcome in the 'tents of eternity' is really an encouragement for us to be good stewards who are more concerned with the future than finances. After all, he makes this point after describing a wasteful steward who, for personal gain, dishonestly writes off chunks of money owed to his master – hardly a model citizen. Money is tainted, Jesus says, and it will inevitably fail us. Only the bigger picture and set of relationships we build with it really matters.

So, this Season of Creation we would do well to reflect on how we use both money and the earth's resources. Do we cut corners for our own selfish aspirations, like the dishonest steward? Do we trample the needy for our own gain and comfort, like the contemporaries of Amos? Or might we cooperate with God in lifting the lowly and raising the poor from trash piles and dung heaps? Do we recycle the world's resources, or throw away our unwanted things to accumulate and afflict the poorest? Do we pray with St Paul for those in authority to make right decisions, or do we vote for unjust policies which make the rich richer, the poor poorer, and the earth dirtier?

### St Angela's Mini Vinnies

On Tuesday 13th September, we invited students in Years 3 to 5 to join our very first Mini Vinnies group. Students will be able to choose to make a commitment to their participation in this group. Here's some information shared with the students.

### Reminder from OLOR Parish

### What is Mini Vinnies?

Mini Vinnies empowers primary school students to become advocates within their school and local community by putting their values into action. Students meet regularly to learn about social justice issues, develop leadership skills and engage with the wider St Vincent de Paul Society.

### What do they do?

Mini Vinnies members, with the guidance of staff, meet to discuss and raise awareness of social justice issues and organise ways to help others in need within their own school community and beyond.

Mini Vinnies is also a great opportunity for students to reflect on the needs of those they want to help in their community, help shape compassion and understanding with their fellow students, and share their passion to raise awareness about social justice issues.

### Why start a Mini Vinnies Group?

Your school would be joining hundreds of primary schools across Australia working alongside Vinnies to build up the next generation of social justice advocates, and caring, compassionate members of society. It also gives your school the opportunity to recognise and respond to the needs in your local community.

We offer engaging resources and on-going support to help you empower your students to create a more just and compassionate society today, and to build the foundation for a more equitable future.

By getting your school involved, you will be able to help the St Vincent de Paul Society, a leading provider of specialist homelessness services across Australia including transitional and crisis accommodation as well as case management, health services and educational and vocational programs.

By encouraging your students to get involved, you will be supporting young people to raise awareness about these important issues and to be proactive within their school and community.

## COLOUR FUN DAY FUNDRAISER

There was an explosion of Colour Fun at St Angela's on Monday! The sun was shining and the biggest smiles you've ever seen were on the faces of our students as they were turned into rainbows of happiness! Thank you to our wonderful parent volunteers and teachers who made our day so fantastic! A Special thanks to the parent committee who worked tirelessly with the staff to organised the event - Kylie Pace, Ralf Bruegger, Jessica Glass, Karen Trimboli and Lauren Henderson with the staff to organise the event.

Raffle tickets will be allocated to children and placed into the draw based on the money that is submitted to Qkr by Friday 16th September. Raffles will be drawn after this date. For every \$10 raised children will be allocated a raffle ticket for the draw. Every student will have an entry in the major prize raffle regardless of the total money raised. Sponsorship cards do not need to be returned to school.
