Term 4 - Week 1

We acknowledge the Darug people, the traditional custodians on whose land we educate our students.

## PRINCIPAL'S MESSAGE

Welcome to our 4th and final term for 2022. The year is certainly passing quickly.

The holidays were a wonderful time to catch up with family and friends and just to generally "go at a slower pace". I encourage you to try and take time out where and when you can during this busy term to spend time with family and friends, most particularly with your children who very easily get caught up with the busyness of everyday life at this time of the year. The staff look forward to another term of welcoming our parents, families and extended family into the school as we let our light shine each and every day. Please refer to the Parent Calendar, School Newsletter and What's Happening at St Angela's to keep updated about school events this term.

During the holidays, work commenced on commissioning the demountables located at the Orleans Way end of the school. This included connecting services - electricity, communications, plumbing and security. As you may have noticed, builders fencing has been added to the pathway leading from Orleans Way to make the children's entry and exit safer. Supervised student access through the back gate will be from 8:05am as usual. Tradesmen are required to access the site prior to 7:40am and close the gate after that time. In the afternoon the gate will open again as usual when the teachers bring the children to the gate to be dismissed. Work was also commenced within the demountables making them ready for our class groups. On Thursday of Week 2 another demountable will be positioned in the back area of the school and will be commissioned along with the others.

In term 4 we will continue to utilize the Centenary of Anzac Reserve across the road in Wrights Road at lunch times for our Stage 2 and 3 students - this was a huge success last term with the students looking forward to their turn to go across the road.

St Francis' Feast Day and Our Lady of the Rosary Feast days were celebrated over the holidays. They are both very special for our Christ Centred St Angela's community. St Angela's is part of the Our Lady of the Rosary Parish, Kellyville which is pastored by the Franciscan priests - led by Fr Alejandro. The Franciscans are a worldwide Order, of both priests and brothers, who have dedicated themselves to follow the Gospel of our Lord Jesus Christ in the spirit of St Francis of Assisi. St Francis was a man of God who lived a life of simplicity and humility. Francis discovered God and all about him in nature and the beauty of creation. He encouraged the people of his time to reverence God in one another and to love the earth and all her creatures. St Angela's school environment reflects our care for the earth in the spirit of St Francis and appreciation of nature.

Best Wishes

On behalf of the St Angela's community, we extend our best wishes to all Year 12 students who are undertaking their final school exams over the next 3 weeks.

May they be enriched by the gifts of the Holy Spirit  
Wisdom, Understanding, Fortitude and Knowledge.  
Grant them the strength to face their examinations  
and the satisfaction of achieving their personal best.

"Together we can achieve so much"

PRINCIPAL

Welcome to Term 4! During the holidays our church celebrated a couple of feast days which we have gathered to reflect on at this week's morning assemblies.

### St Francis of Assisi feast day

4th October - We thank Miss McRoberts and Kindergarten Green for leading us in prayer on Wednesday. It was a solemn reflection on the life of St Francis and how he inspires us everyday to care for creation.

### Our Lady of Our Rosary

7th October - Thank you to Miss McEntee and 3 Yellow for leading us in prayer this morning to celebrate this feast day. We are reminded to take some time in this month of October to pray the rosary at home with our families.

### October as the Month of the Rosary

7th October - Thank you to Miss McEntee and 3 Yellow for leading us in prayer this morning to celebrate this feast day. We are reminded to take some time in this month of October to pray the rosary at home with our families.

### October as the Month of the Rosary

The month of October is a powerful time to draw close to Our Blessed Mother by praying the Rosary. She loves it when we draw near to her in trust. Praying the Rosary is similar to small children reaching up to hold the hand of their mother in complete trust. During her lifetime, Mother Teresa always carried a rosary in her hand. In this way, she said, she was holding Mary's hand. Saint Louis de Montfort said, "Mary is the safest, easiest, shortest, and most perfect way of approaching Jesus." May she draw us ever nearer to her Immaculate Heart and to that of her beloved Son.

**Our Lady of the Rosary, Our Lady of Victory – Pray for us!**

### St Angela's Mini Vinnies

Thank you to all students in Years 3 to 5 who submitted their application to be part of Mini Vinnies. They would have found out today who will be part of the very first Mini Vinnies group at St Angela's. We are proud of how you will continue to let your light shine in your new mission.

God bless  
Jocelyn Williams

*Thank You!*

To the lovely St Angela's Community,

We cannot begin to thank you enough for the generosity we have received from students, parents and teachers schoolwide. This is a very exciting time in our lives and we will never forget all that St Angela's has done for us.

We are very blessed to be a part of such a supportive community and truly appreciate everything that has been organised to celebrate the next chapter of our lives.

Many thanks,

Mr Anthony Stagnitta and Miss Gemma McRoberts.

### Stage 2 & 3 Combined Touch Football Gala Day

The new date for the Stage 2 & 3 Combined Touch Football Gala Day is Friday 4th November. Training will resume in week 2, Wednesdays Stage 2 (Years 3 and 4) Thursdays Stage 3 (Years 5 and 6).

Thank you to the parents who have volunteered to help manage a team at the Touch Football Gala Day. If anyone is available or might know someone who can referee on the day, please contact Mrs Mazza as we still need more referees for the day.

### Notification of leaving St Angela's Primary

We are currently planning for the 2023 school year. At this time of the year there may be movement of families out of the area. If your family will not be continuing at St Angela's in 2023 please notify the office via email as soon as possible so that a "Advice of Withdrawal Form" can be emailed to you.

#### COVID

Families at St Angela's continue to experience COVID cases, so it is important for you to monitor your children for symptoms and keep them at home if they are unwell. We will also contact you if your child feels unwell at school. Please also be vigilant about the early signs of influenza which require you to keep your children at home to ensure that we continue to maintain a healthy environment for the children and staff while at school. Thank you for following the COVID communication protocols below.

#### COVID SAFE PROTOCOLS

All students, families and staff are requested to follow NSW Health's advice to reduce the risk of not only transmitting COVID-19, but also other illnesses that may affect schools this winter such as the flu.

New COVID Guidelines came into force from October 14. This includes:

- NSW Health strongly recommends people who are sick or have tested positive to COVID-19 stay home until their symptoms have gone.
- Please inform the school if your child is absent due to COVID.

Thank you for all that you do to support the health of students and staff.

## Year 1 Parent Helpers Needed

We are looking for Year 1 Parent helpers for the Infant's K-1 Athletics Carnival on Tuesday 18th October, 2022.

If you are able to assist please send through an email to St Angela's and we will forward it on to Mrs Mazza.
