## WELCOME BACK FOR 2023

A very warm welcome back to school to all our students, staff and families. The beginning of a new school year is filled with excitement and anticipation for what is to come. This year we have so much on the horizon to look forward to and be thankful for - the development of our new school buildings, the welcoming of our new Parish Priest Father Chris, and getting to know our new families or families that we have not yet met within our community.

Congratulations and welcome to our newest and families—Kindergarten 2023 who had their first day at school today.

My sincere thanks to all the staff for beginning the year with such enthusiasm and care in their privileged roles. Last Friday on the Feast of St Angela our staff joined with our colleagues from OLOR Kellyville to celebrate mass together and welcome Mr Paul Battikha the new Principal of our sister school. Frs Alejandro and Chris concelebrated and reminded us of the special vocation that we have as educators in a catholic school.

This year, we welcome a number of new staff members. Welcome to Mrs Tracie Hope (2 Blue), Mrs Tiffany McPherson (5 Blue), Mrs Katy Turner (3 Green Th/Fri) and Father Chris Shorrocks our Parish Priest who has replaced Father Alejandro who is taking up the position of Parish Priest at St Mary Mother of God Parish in the Chicago Archdiocese.

We ask for God's blessings over our entire school community as we embark on another year of providing quality Catholic Education for the children at St Angela's and as we strive to LET OUR LIGHT SHINE each and every day. Please do not hesitate to contact me if you have any questions or if I can assist you in any way now or throughout the year.

I look forward to working with you in partnership to make 2023 a rewarding year.

"Together we can do so much"  
Leanne Nettleton

## Religious Education

**Welcome everyone to the 2023 School Year!**

On the 27th January, we celebrated the feast day of St Angela Merici. Click on this [link](#) to learn more about her work and life.

As we begin our year of faith and learning, let us be reminded to start each day with our school prayer:

### St Angela's School Prayer

St Angela, as I begin a new day,  
help me to act as you did  
while you were on earth.

Help me to pray as you did,  
thanking God for his many gifts.

**Most of all, help me to use my talents**

**To make the world a better place,  
as you did, St Angela.**

**May I 'Let My Light Shine' always.**

**Amen.**

### Opening School Liturgy

We invite families and friends to join us on Friday  
10th February 9:15am.

## BIRTHDAY TREATS

In 2023, students are able to bring birthday cupcakes, doughnuts or frozen zooper doopers to school to share with their class. If you do not wish your child to receive a cake, donut or zooper dooper, when it is brought in by another student for their birthday celebration please inform the teacher in writing.

The following guidelines taken from the St Angela's Parent Handbook apply to these treats: *Some parents like to send a birthday treat to school to share. If you would like to do this, please send individual treats e.g. cupcakes, donuts or frozen zooper doopers as these are very manageable, (as opposed to a cake which is difficult to divide). As with all food brought to school, cakes should be nut free. If your child has allergies, you are encouraged to provide an alternate treat, in a labelled container, that can be left at school for them to have on other childrens' birthday celebrations.*

**Please Note:** Due to allergies, we ask that you do not send lollies, chocolates or other treats.

## 2023 Class Parent Representatives

As in previous years we will be asking for volunteers to take on the role of "Class Parent Representative". This voluntary role assists the class/grade community and the teacher. Aspects of the role include:

- Attending a meeting once a term
- Welcoming new parents to the class
- Coordinating nominated class school activities, for example, the Mothers' Day stall
- Bringing forward any ideas that parents may have to add to school life
- Encouraging/coordinating the class or grade to have a parent morning tea
- Encouraging others to seek information from the appropriate source
- Liaising with the class teacher to assist with volunteers etc. if needed
- Celebrating baby arrivals etc. with a card

The role can certainly be shared and we welcome your participation. For ease of communication, we will endeavour to have a maximum of 2 parents per class to fulfil this role with one being the main contact person. If interested, **We will be holding a meeting for Class Parent Representatives on Thursday 9th February in the Staff Room at 9:00am.**

If interested in being a class representative for 2023 please complete the Google form. Please complete the Google Form even if you cannot attend the meeting. [Class Parent Representative 2023](#)

Your support and assistance is greatly appreciated.

## TRAFFIC REMINDERS AROUND THE SCHOOL

Our Kiss and Drop area operates from the Harrington Road entrance to the school.

The two entrances to our school in the mornings and afternoons require users to take care and be aware. If you are dropping your children at the back gate in Orleans Way:

- it is illegal to stop in the NO STOPPING ZONE
- the teacher on duty opens the back gate at 8:05am
- take care as you drive through the "Children Crossing" flagged area. This is a pedestrian zone and cars cannot use it to double park to let children out.
- When collecting children in the afternoon please do not stand on the road.

If you are driving into the school grounds from Harrington Ave in the mornings to use the Kiss and Drop

- cars enter from 8:05 when the second gate is opened (some parents are entering at 8:00am)
- drivers need to be mindful of parents and children crossing across the driveway on the footpath
- drivers DO NOT get out of the car in the Kiss and Drop.
- children must be able to get out of the car independently in the Kiss and Drop area.
- there is NO RIGHT TURN out of the carpark

Council Officers patrol these areas and will apply the appropriate penalties and fines for this infringement ( Fines from \$352 and Penalty -2 Demerit Points).

Most importantly please be mindful that if you are stopping in these areas you are :

- endangering the students who enter the back gates as you are blocking their access
- causing a traffic jam to the flow of traffic through Orleans Way which includes not only St Angela's parents but our neighbours who live in this street

Thank you for abiding by the Road Traffic Signage and ensuring the safety of road users and pedestrians.

## CHANGING GOING HOME ARRANGEMENTS

A reminder to parents that our official school day is from 8:30am until 2:50pm and that your child is required to be present between these times. Children should not be taken out of school early unless it is for an important reason (ie. Appointment for specialists etc.) Likewise, any changes of going home arrangements should only be made in cases of emergencies. As you can appreciate, contacting classes for children to come to the office for early departures or to advise going home changes is disruptive to the learning, in particular to the whole school if the class is not in their room and an announcement needs to be made.

We ask that all early departures and changes to going home arrangements are advised in writing to [stangelas@parra.catholic.edu.au](mailto:stangelas@parra.catholic.edu.au) **before 1.30pm on the day the change is taking place.**

**Please do not email going home changes days in advance. This assists with our process of notifying the class teacher via their office bag.**

## IMPORTANT ALLERGY INFORMATION

At St Angela's we have a number of children who have severe allergies to nuts. While allergic reactions are common and most are not serious, for some people the reaction can be life-threatening. This is called anaphylaxis and can occur in minutes of an exposure to a trigger, in these children's case, nuts.

We see prevention as a major part of providing a safe environment for these children. So as to support our community's effort in this regard, parents are requested not to send nuts or foods containing nuts to school with their children.

The following list gives examples of such foods.

- Peanuts, hazelnuts, almonds, cashews, macadamia nuts
- Peanut butter
- Nutella
- Biscuits and cakes containing nuts
- Snack packs containing nuts
- Chocolate bars containing nuts eg Picnics, Mars Bars (almond), Nut Breaks and Fruit and Nut chocolates
- Marzipan and nougat
- Breakfast cereals containing nuts eg Crunchy Nut/Honey Nut Cornflakes, Muesli, Nutrigrain
- Muesli Bars and snack bars containing nuts
- Yoghurt and nut mixer packs
- Confectionery items such as Lolly Gobble Bliss Bombs and Rocky Road
- Uncle Toby's yoghurt muesli bars

We realise that there may be trace elements of nuts in a variety of other foods. However, if you use the above list as a guide you will be doing your part. Parents can also reinforce with their children that sharing food is not allowed at St Angela's.

## COMMUNICATION WITH TEACHERS

St Angela's Primary recognises that email is a fast and convenient way to communicate with your child's teacher. As you would appreciate, teachers read their emails at various times throughout the school day. Further, that other than in the case of a genuine emergency, they are generally not expected to respond to emails from parents and students outside of normal working hours. Please keep in mind that if you send an email to a member of our staff outside of normal working hours, a reply may not be received until the following working day.

If you wish to contact your child's teacher, please continue to direct your emails to the school email account which will then be passed onto the relevant teacher, as per our usual practice.

## SCHOOL OPAL CARDS

If your child requires a school opal card to travel to and from school on the bus please click on the link below and complete the online form.

## SAFER INTERNET DAY

Tuesday 7th February has been declared Safer Internet Day. This is a worldwide event that raises awareness about online safety and encourages everyone to help create a better internet. Parents are encouraged to access the Australian Government's eSafety website <https://www.esafety.gov.au/> to explore the many resources that can be found there to support children's use of the internet at home. At school next week, the teachers will be focusing on the cyberwise message of "Connect, Reflect, Protect".

The eSafety Commissioner offers information and free webinars to assist Parents and Carers. To find out more, or register for a webinar, visit [eSafety Webinars for parents and carers](#)

## ESAFETY'S TOP BACK-TO-SCHOOL TIPS:

The start of the new school year can be an emotional day for any parent or carer. The holidays are over, it's time to get back to the serious business of classes and playground games. For some parents there will be tears of sadness that their little one is starting school for the first time. For others, tears of joy that their teen won't be playing music loud enough to shake the foundations of your home. The back-to-school period can also be a great time to review your child's online safety and get ahead of any issues that may come up through the year.

**WATCH OUT FOR CYBERBULLYING** — online bullying can have a devastating impact on young people, whose online life is a key part of their identity and how they interact socially.

**'SHARENT' RESPONSIBLY** - not heard the term 'sharent'? Well, if you are a parent who shares then that's you! Be mindful about sharing your child's first day of school and other milestones on social media.

**SET SCREEN TIME LIMITS** - With screens increasingly being used at school and home, it's important to ensure your child has a healthy balance of offline and online time. Setting screen-free zones in the home and negotiating switch off times are useful ways to do this. Screens should never be taken into the bedroom or bathroom. Don't forget, quality over quantity! [See more information about managing screen time.](#)

**USE TOOLS** - parental controls on smartphones, TVs and computers can help limit your child seeing inappropriate content and help manage their time online. Make sure the privacy settings on their apps and games are turned on and help show them how to block and report people online. See more information about using [parental controls](#) and [privacy and reporting tools](#).

**STAY ENGAGED** - as soon as we hand our child a device, we should be talking to them about the dos and don'ts of the online world. It's also important to let them know we'll be there to support them if anything goes wrong. There is no substitute for taking an interest in our children's online lives from an early age, to help establish strong foundations and open lines of communication. See more information about [keeping your children safe online](#).

Julie Inman Grant, eSafety Commissioner

## ACCEPTABLE USE OF TECHNOLOGY AT ST ANGELA'S

Each time the children log onto a device at school they are asked to accept the technology policy. Please revise this policy at home with your children so they are familiar with the expectations for the acceptable use of technology at school.

You can view the policy online at [Catholic Schools Parramatta Diocese](#)

## CANTEEN

Canteen will commence next Tuesday 7th February and will operate for students at lunchtime each Tuesday and Friday in 2023. If you would like to help in the canteen, and haven't already done so, please complete the following:

[Canteen Parent Volunteer Form.](#)

In accordance with CEDP guidelines, our Canteen operates as a cashless service to students. Students are able to purchase a variety of items at the canteen in the price range of 50c - \$2.00 using a school issued CASH CARD that can be purchased by parents on Qkr. Parents can purchase either a \$5 or \$10 CASH CARD. The card will be punched at the canteen each time a student purchases an item according to its cost.

See this link for the [Canteen Price List](#)

## MEDICATION INFORMATION

Prescription medication is only administered to students upon completion of St Angela's medication forms, which are available from the school office or on our website under the following pathway:

**School Information, School Notes, Medical Forms or by clicking the following link:**

[School Notes | St Angela's Primary Castle Hill  
\(stangelaschill.catholic.edu.au\)](https://stangelaschill.catholic.edu.au)

There are two types of forms:

- ♦ **Doctor Forms for Prescribed Medication  
(to be completed by Doctor and Parent)**  
If your child requires **prescription** medication to be permanently stored for administration at school, ie. Anaphylaxis/Allergies or Asthma, these forms are required to be completed by a parent and your child's doctor.
- ♦ **Short Term Prescribed Medication  
(to be completed by Parent)**  
If your child requires **prescription** medication to be administered on a short term basis, ie. 1-5 days, please complete this form.

***Please note we are unable to administer prescription medication unless the relevant form, as outlined above, is completed. Handwritten notes are not satisfactory for the administration of medication.***

All prescription medication for your child must be delivered to and collected from the office **by a parent**. For safety reasons, prescription medication should not be carried by children. All prescription medication is required to be supplied in its original container, clearly labelled with your child's name, the name of the medication, dosage and frequency of administration. Appropriate equipment for administering medication is to be supplied by the parent, eg. Asthma spacer. **It is the responsibility of parents to ensure all medication remains current.** All medication sent to school is kept in the School Office.

### **NON-PRESCRIPTION MEDICATION**

***Non-prescription medication is not administered by the school, eg. Panadol, antihistamine, creams, ointments, eye drops etc. The only exception to this is if a doctor completes the appropriate abovementioned form.***

## 2023 PRESCRIBED MEDICATION FORMS

Forms and action plans, which are required to be updated for 2023 were emailed at the end of last year to those families whose children currently have medication stored at school on a permanent basis. If you have not already done so, please return the completed forms to the office as soon as possible.

***Please notify the school via email at [stangelas@parra.catholic.edu.au](mailto:stangelas@parra.catholic.edu.au) if your child's medical requirements have changed and they no longer require medication to be permanently stored at school.***

We thank you for your attention to this important matter.
