# What our customers are saying

**When it came to deciding on a platform to use for generating all of our QR Codes, there was a general consensus among the teamâ€”of course we should use Bitly! We didnâ€™t even give it a second thought.â€**

**Melody Park**

Marketing Lead at Smalls

**When customers receive a status update from us, they can click on our encrypted link through the Bitly short link and directly view their order without having to log in, which is a smoother user experience and still keeps their information secure.â€**

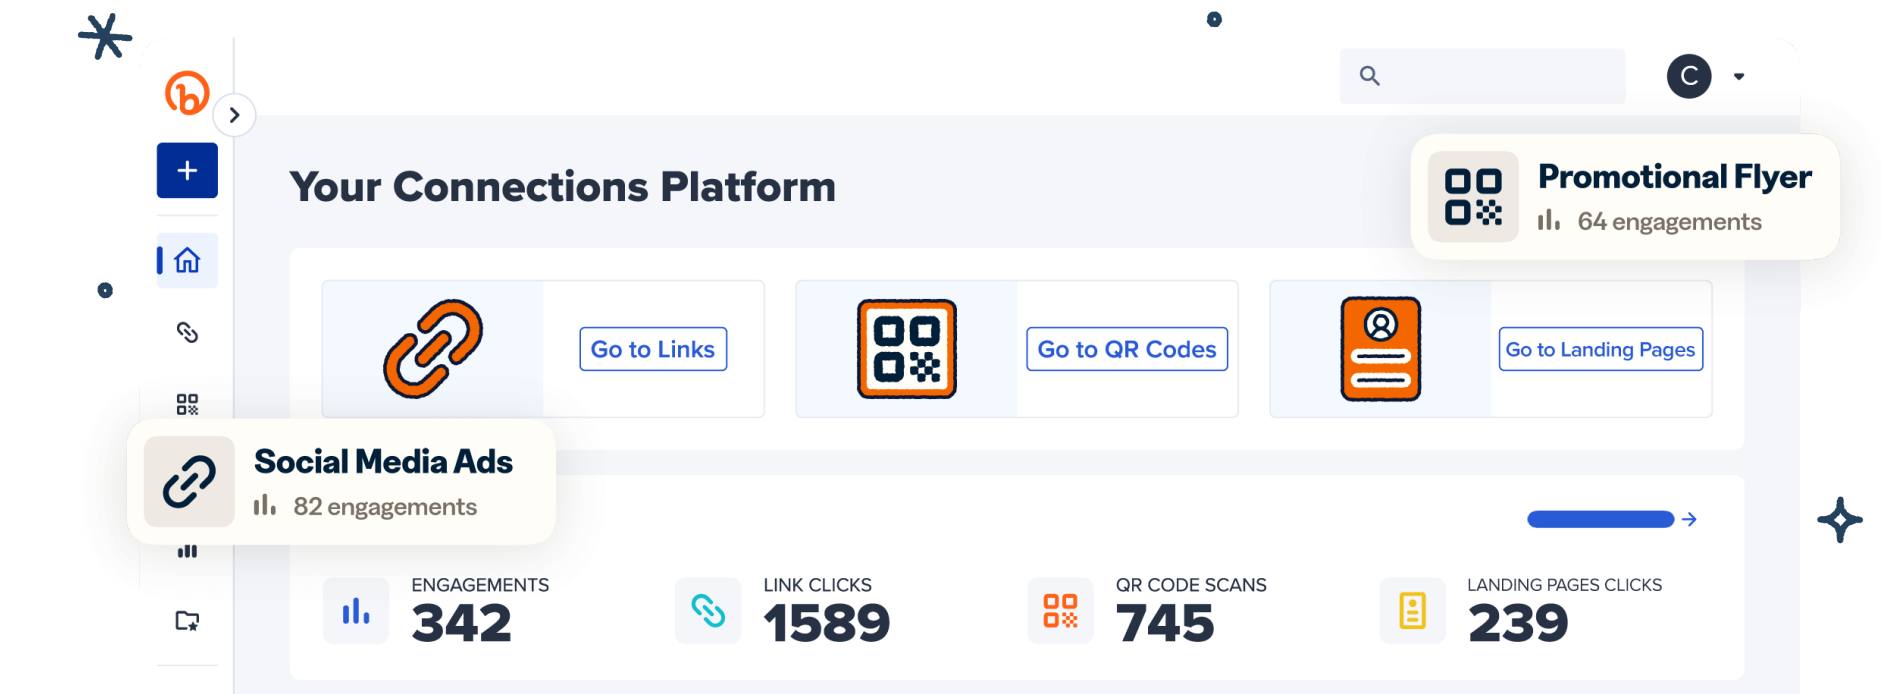

**Phil Gergen**

Chief Information Officer at Koozie Group

# More than a link shortener

Knowing how your clicks and scans are performing should be as easy as making them. Track, analyze, and optimize all your connections in one place.
